DIY Cone Bag

DIY Cone Bag

Party in style with the sweetest accessory: the candy bag! Ideal for scooping up treats at the candy bar or when creating your own candy salad. Want to add a personal touch? Get creative by coloring and decorating the bag to match the theme of your celebration!

Difficulty level:

You need:

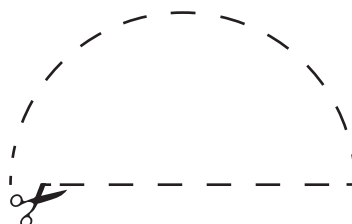

- > Paper
- > Scissors
- > Adhesive tape
- > For decorating:
Pens, Stickers, etc.

This is how it works:

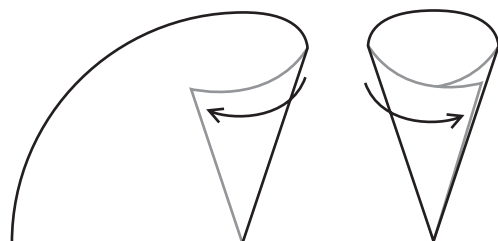

Cut

Use the scissors to cut out the semicircle along the dotted line.

Roll

Lay the semicircle with the straight edge facing downwards and roll the right-hand corner to the left and the left-hand corner to the right.

Glue

Glue the bag together at the marked points.
